The Gulag and the Dell Dec 24 2021 In this stirring sequel to "Through Fear and Trembling," Athena Arnold becomes the new President of the United States in the wake of a hotly disputed election. Veiled in her rhetoric, but undeniable by her actions is a determination to stamp out all vestiges of biblical Christian faith in America, which she regards as toxic to society. Her aim instead is to force America into the global socialist New World Order. William Walter Cunningham, her head of the Bureau of Government Affairs in New Washington State, dispatches the young, arrogant Ahmad Salazar to bring to heel the citizens of Green Valley, a small, God-fearing, mid-western community. Salazar ruthlessly forces his "control and compliance" policy on its citizens. Local Christian pastors Brandon Mills of the Green Valley Community Church and Roland Spafford of the Harvest Temple push back, setting up a clash between two diametrically opposed and irreconcilable worldviews. Pastor Brandon's rebellious teenage daughter Patricia finds herself pregnant out of wedlock, with the local family planning clinic determined to force her into an

unwanted abortion. The resulting chain of events causes some believers to flee to the Dell, a hidden refuge deep in a dense forest northwest of Green Valley. Pastor Brandon is forcibly separated from his ailing wife Lisa and sent to the "Rough Acres Reeducation and Rehabilitation Camp," a gulag in North Dakota that specializes in forcing hard cases into conformity with the edicts of the New World Order. Courage, cowardice, treachery, heartbreak, healing, romance, and the sovereign hand of God; "The Gulag and the Dell" is a powerful story of redemption and of the ultimate victory of God and His people over the forces of evil.

Rendered Safe Oct 22 2021 Rendered Safe centers on the remarkable life of former NYPD Bomb Squad Detective Donald Sadowy. In the aftermath of the February 1993 World Trade Center bombing, the most devastating terrorist attack on the United States to that point, Sadowy risked his life to

*search for evidence in the shattered and dangerous sub-basement. There, he discovered a piece of chassis frame that contained a VIN number which enabled law enforcement to catch the perpetrators just in time. The massive investigation and recovery effort that followed is revealed through Sadowy's recollections as well as those of a number of other law enforcement agents, many never before told. The World Trade Center bombing, designed to topple the Twin Towers, presaged 9/11. On that day, Sadowy defied overwhelming odds to survive being buried alive under the rubble of the collapsed North Tower. In Forrest Gump-like fashion, during his career Sadowy was an astounding magnet for many other significant events and persons. He served for two years as personal bodyguard for U.N. Secretary-General Kurt Waldheim. During his 16 years in the NYPD Bomb Squad, he was involved in the Abortion Bomber case, the investigation of TWA flight 800, global intelligence missions, the handling of a multitude of improvised explosive devices, and the protection of key global figures such as Mikhail Gorbachev and Fidel Castro. At the end of his career, while serving in the U.S. Marshal's office, Sadowy interacted with notables such as John Gotti Jr. Based on extensive and exclusive interviews with a wide range of officials, *Rendered Safe* takes the reader into the life of a bomb technician and provides a tour of many of the most noteworthy events of recent decades.*

Esther's father is agoraphobic and hasn't left the basement in six years, her twin brother can't be in the dark without a light on, and her mother is terrified of bad luck. The Solars are consumed by their fears and, according to the legend of the curse, destined to die from them. Esther doesn't know what her great fear is yet (nor does she want to), a feat achieved by avoiding pretty much everything. Elevators, small spaces and crowds are all off-limits. So are haircuts, spiders, dolls, mirrors and three dozen other phobias she keeps a record of in her semi-definitive list of worst nightmares. Then Esther is pickpocketed by Jonah Smallwood, an old elementary school classmate. Along with her phone, money and a fruit roll-up she'd been saving, Jonah also steals her list of fears. Despite the theft, Esther and Jonah become friends, and he sets a challenge for them: in an effort to break the curse that has crippled her family, they will meet every Sunday of senior year to work their way through the list, facing one terrifying fear at a time, including one that Esther hadn't counted on:
