Griffin/VanFleet, MANAGEMENT SKILLS: ASSESSMENT AND DEVELOPMENT, 1E, offers a comprehensive, real world approach to mastering the skills needed for a career in management. The authors also address another major concern instructors have about students being visual learners by providing a unique Visualize the Skill section not found in any other text. To better enable students to learn about management, chapters are organized in an easy-to-follow format that contains: Assessing Your Skills (pre-assessment scales); Learning About the Skills (concept portion of the text); Practicing Your Skills (exercises); Using Your Skills (case analysis); Extending Your Skills (group and individual exercises); Visualizing the Skills (video exercises); Your Skills Now (assessing skills after working through the chapter); and Interpretations (scoring keys and comparison data).
