Vampire hunter Anita Blake is called on to raise the dead-while trying to suppress her ever-growing feelings for a certain wereleopard. An Anita Blake, Vampire Hunter, novel 'The bride was a witch who solved preternatural crimes. The groom raised the dead and slew vampires for

a living. It sounded like a Halloween joke, but it wasn't.' When I'm not up my elbows in sacrificial gore, I've got serious preternatural issues to deal with. Psychotic shape-shifters, duplicitous vampires and sexually deviant wereleopards. And that's just my friends. I'm Anita Blake, Vampire Hunter and Federal Marshall. My life is more complicated than ever, caught up between obligations to the living and to the undead. Now there is a vampire serial killer preying on strippers. And I've been called in to help the police. 'When the monsters are involved, it's never just one dead body. One way or another the dead multiply.' First, there were the dead in the graveyard, two hundred years dead. I'd been hired to raise them to settle a dispute over who owned the land they were buried in. Then there were the three dead teenagers in the woods, slaughtered in a way I'd never seen before. And then they found the dead girl, drained of blood and left in her bed. I knew what that meant of course. It didn't take a degree in preternatural studies to figure out that something was wrong. And I was right in the middle of it. My name is Anita Blake. Welcome to my life ... There are lots of reasons to raise the dead-some private, some public. In this case, the feds have a witness who died before he could speak on the record. They want him raised so his testimony can be taken. So here I am, on a plane to Philadelphia, flying off to do my job. But I'm not alone. Micah is with me. Micah, head of the St. Louis wereleopard. King to my Queen. The only one of my lovers who can stir my blood with just a glance from his chartreuse

cat's eyes. I was happy to have him at my side. Until he mentioned that this will be our first time alone together. No Master Vampire. No Alpha Werewolf. Just me and Micah. And all my fears and doubts... Mein Name ist Anita Blake. Ich bin Expertin für Kreaturen der Nacht. Ich habe mit Gestaltwandlern diniert, mit Werwölfen getanzt und werde von Jean-Claude, dem Meistervampir der Stadt, umworben. Doch seit Kurzem ist ein neuer Vampir in der Stadt. Dunkel und gefährlich. Sein Name: Alejandro. Und er will mich. Deshalb wütet jetzt ein Krieg der Untoten. Ich würde mich ja geschmeichelt fühlen - wenn mein Leben nicht auf dem Spiel stände ... Als in St. Louis eine Leiche gefunden wird, die von nicht weniger als fünf Vampiren ausgesaugt wurde, ahnt Anita Blake nichts Gutes und geht der Sache auf den Grund. Sie findet heraus, dass ein Jahrtausende alter Vampir in der Stadt ist: der mächtige Meistervampir Alejandro. Er will Anita zu seiner Dienerin machen. Ehe sie sich versieht, gerät sie mitten in einen Revierkampf der Untoten. Denn der herrschende Vampir, Jean-Claude, beansprucht Anita für sich. Währenddessen verliebt sie sich in den attraktiven Lehrer Richard. Sie sind zwei Menschen zwischen den Fronten - zumindest glaubt Anita das. Und als es zu einer Schlacht der Untoten um die Seelen der Stadt kommt, läuft Anita Gefahr, die ihre für immer zu verlieren ... "Laurell K. Anita Blake ist daran gewöhnt, die Jägerin zu sein. Doch plötzlich hat sie selbst einen Auftragskiller im Nacken sitzen und alle Hände voll damit zu tun, einfach nur zu überleben. Denn ein Unbekannter hat einen Preis von einer halben Million Dollar auf ihren Kopf ausgesetzt, und sie soll innerhalb von 24 Stunden aus dem Weg geräumt werden. Anita muss also schnellstmöglich herausfinden, wer ihr nach dem Leben trachtet. Als ob das nicht Ärger genug wäre, soll sie sich auch noch zwischen zwei Männern entscheiden. Und wenn es sich bei dem einen um einen Vampir und bei dem anderen um einen Werwolf handelt, ist diese Wahl ein riskantes Spiel mit dem Feuer ... Nächster Band: Anita Blake - Dunkle Glut. Erlebe (über-)sinnliche Abenteuer mit eBooks von beHEARTBEAT - Herzklopfen garantiert. Fusing mythology and horror in a story loaded with mystery, action and romance, New York Times bestselling author Laurell K. Hamilton's Anita Blake novels take place in a world where vampires, werewolves and other creatures of nightmare have been declared legal citizens of the United States. Anita Blake is an "animator" - a profession that involves raising the dead for a living. She is also known as a fearsome hunter of criminal vampires, and she moonlights by investigating cases outside the

jurisdiction of conventional police. But as Anita gains the attention of the vampire masters in her hometown of St. Louis, she also risks revealing an intriguing secret about herself - the source of her unusual strength and power.

Collecting ANITA BLAKE, VAMPIRE HUNTER: GUILTY PLEASURES #1-12. Watch a video A serial killer is hunting the Pacific Northwest, murdering victims in a gruesome and spectacular way. The local police suspect "monsters" are involved, and have called in Anita Blake and Edward, U.S. Marshals who really know their monsters, to catch the killer. A female vampire hunter is hired to find a serial killer of vampires. I knew without doubt that if any more of the vampires tried to attack us I'd kill them, too, regardless of apparent age, race, sex, or religious affiliations. I was an equal-opportunity executioner; I killed everybody. My name is Anita Blake and I am a vampire hunter and necromancer, as well as a US Marshal. So when a fifteen-year-old girl is abducted by vampires, it's up to me to find her. And when I do, I'm faced with something I've never seen before: a terrifyingly ordinary group of people - kids, grandparents, soccer moms - all recently turned and willing to die to avoid serving their vampire master. And where there's one martyr, I know there will be more... But even vampires have monsters that they're afraid of. And I'm one of them... Once you tell someone certain things, like, say, you got mailed a human head in a box, they tend to think you're crazy. Anita Blake's reputation has taken some hits. Not on the work front, where she has the highest kill count of all the legal

vampire executioners in the country, but on the personal front. No one seems to trust a woman who sleeps with the monsters. Still, when a vampire serial killer sends her a head from Las Vegas, Anita has to warn Sin City's local authorities what they're dealing with. Only it's worse than she thought. Several officers and one executioner have been slain - paranormal style... Anita heads to Las Vegas, where she's joined by three other federal marshals, including the ruthless Edward hiding behind his mild-mannered persona. It's a good thing Edward always has her back, because, when she gets close to the bodies, Anita senses "tiger" too strongly to ignore it. The were-tigers are very powerful in Las Vegas, which means the odds of her rubbing someone important the wrong way just got a lot higher... A collection of books 6-10 in Laurell K. They mean I'm stronger than whatever tried to hurt me. My friend is getting married. But even on the happiest of days there are wounds that need healing. She wants me to talk to her thirteen-year-old brother, Tomas, who is struggling to recover from a gunshot wound. He's depressed and demoralised - convinced he'll never run again. But what if I tell him about my own scars? The times I have survived the worst? With wereleopards Micah and Nathaniel by my side sharing their own survival stories, maybe we can convince Tomas that life is worth fighting for... Readers can't get enough of the Anita Blake, Vampire Hunter, series: 'Anita Blake novels are my addiction' 'Vampires, zombies and guns, oh my!' 'I have loved every single book in this amazing series, have fallen in love and lust with many characters and desperately hope that there will be more' 'I am hooked' 'I couldn't love Anita and her adventures with the supernatural community any more The steamy outtake that takes readers even further into Laurell K. Hamilton's bestselling novel, Kiss the Dead. You'd think I'd get used to seeing such a beautiful man and knowing he was mine, but it never grew old, as if his beauty and the fact that he was mine, and I was his, would forever surprise me. With a vampire like Jean Claude around, it's far too easy for Anita Blake to doubt her own appearance—and the hold it has on those who love her. But one hot tub and two incredibly sexy

men—Jean Claude and Asher—will make her feel like the most lusted-after woman alive...or undead. Not bad for a mere human... “Hamilton remains one of the most inventive and exciting writers in the paranormal field.”—Charlaine Harris, #1 New York Times Bestselling Author Includes an excerpt of Kiss the Dead, the new Anita Blake, Vampire Hunter novel Rafael, king of the wererats, must fight to the death to defend his crown. He wants Anita Blake, one of his closest allies, with him as he faces an opponent unlike any he’s faced before. He will ask Anita to risk everything to be at his side.... But some of the wererats fear that Rafael depends too much on Anita and her ties to the vampires. They believe that there is only room in America for one supernatural king, and Rafael will turn them into nothing more than food for the bloodsuckers. Among his enemies, a new challenger has arisen who is younger, hungrier, and has dark secrets that could destroy both the wererats and the vampires. Rafael will go into the magical heart of his people to find the power and violence that he needs to save them all, or die trying. St. Louis' future hangs in the balance when master vampires Alejandro and Jean-Claude pit their dark forces against each other in a battle for control of the city's vampires! Only Anita Blake holds the key to turning the tide of this war, but can either vampire leader be trusted not to make her a slave of desire? And that's just her day job. Anita gets back in the game when she agrees to a date with science teacher Richard Zeeman, but this seemingly normal hunk is conspicuously cool with the

dangers of Anita's profession and the horrific exploits of her associates like Jean-Claude. Will sparks fly, or is this regular guy too good to be true? COLLECTING: Anita Blake : Circus of the Damned - The Scoundrel 1-5 Sunday Times and New York Times bestselling author Laurell K. Hamilton returns with another addictive adventure featuring vampire-hunting heroine Anita Blake, to thrill fans of Charlaine Harris and Anne Rice. My name is Anita Blake and I have the highest kill count of any vampire executioner in the country. I'm a U.S. Marshal who can raise zombies with the best of them. But ever since master vampire Jean-Claude and I went public with our engagement, all I am to anyone and everyone is Jean-Claude's fiancée. It's wreaking havoc with my reputation as a hard ass - to some extent. Luckily, in professional circles, I'm still the go-to expert for zombie issues. And right now, the FBI is having one hell of a zombie issue. Someone is producing zombie porn. I've seen my share of freaky undead fetishes, so this shouldn't bother me. But the women being victimised aren't just mindless, rotting corpses. Their souls are trapped behind their eyes, signalling voodoo of the blackest kind. It's the sort of case that can leave a mark on a person. And my own soul may not survive unscathed . . . Laurell K. Hamilton's Anita Blake, Vampire Hunter series is a literary sensation, thanks to its strong female hero, well-fleshed (both literally and literarily) characters and unabashed attitude toward sex. The world Hamilton has created is powerfully compelling and stunningly complex—and it gets deeper,

richer and more perilous, with every book. Straddling the series' dominant themes of sex and power, *Ardeur* gives Anita fans a deeper look into the dynamics, both personal and political, that have kept readers fascinated throughout the run of the series. Why is *Ardeur* the very best thing that could have happened to Anita, personally (aside from all the sex it requires her to have with hot men)? How is Anita's alternate United States a logical legal extension of our own? And as the series continues, what other bargains might Anita have to make with herself and others in order to keep the people she loves safe from harm? The collection includes essay introductions by Hamilton, giving context and extra insight into each essay's subject. Anita Blake, Vampire Hunter, returns to face an ancient, Medusa-like curse in her twenty-sixth adventure. Fans of Charlaine Harris and Anne Rice will delight in this series by Sunday Times and New York Times bestselling author Laurell K. Hamilton. 'I've never read a writer with a more fertile imagination' Diana Gabaldon My name is Anita Blake, U.S. marshal and vampire hunter. But this time, there's a monster that even I don't know how to fight . . . A remote Florida island is the perfect destination for my best friend Edward's wedding, and a much-needed getaway for me and wereleopards Micah and Nathaniel. But it's not all fun, games and bachelor parties. Micah has unearthed a horrific new form of lycanthropy down here - a Medusa-like curse that turns its victims into a mass of snakes. The last thing I need is more drama, but when women start disappearing in this tropical paradise, my own friends and

lovers become the prime suspects. I can't fight this one alone and am ready to accept help from even the deadliest of places - help I know I will regret. If I survive at all. Readers love the Anita Blake, Vampire Hunter, series: 'Anita Blake novels are my addiction' 'Fantastic! Unexpected! Intriguing! Full of love, relationships, action and adventure' 'Vampires, zombies and guns, oh my!' 'I couldn't love Anita and her adventures with the supernatural community any more' The hit adaptation of Laurell K. Hamilton's Anita Blake series continues! What price will Anita pay in order to save her friend's life and solve the Vampire Murders? Will she actually kiss Phillip? How far will Edward go in order to find out where the daytime resting place of the Master Vampires truly is? Where is Jean-Claude? And most important, who is behind the Vampire Murders? What's next for Anita Blake, you ask? The answers to all of those questions are here! Anita Blake, Vampire Hunter: Guilty Pleasures #7-12. An Anita Blake, Vampire Hunter, novel 'Something in the look on my face must have frightened him, because his eyes widened, and I saw something like human fear cross his reptilian face.' I'm Anita Blake and I kill monsters. The last thing I want to think about though when I get home after a night out is work. But someone has abducted a wereleopard from the Narcissus in Chains club. It's a dark world out there with shapeshifter crime and were-creature struggles. I may not have seen Jean-Claude, the Vampire Master of the City, for six months, but I need his help now, whatever the consequences. Someone is targeting the

lycanthropes and we have to save them. First time in trade paperback: the third novel in the #1 New York Times bestselling series. In Circus of the Damned-now in trade paperback for the first time-a rogue master vampire hits town, and Anita gets caught in the middle of an undead turf war. Jean-Claude, the Master Vamp of the city, wants her for his own-but his enemies have other plans. And to make matters worse, Anita takes a hit to the heart when she meets a stunningly handsome junior high science teacher named Richard Zeeman. They're two humans caught in the crossfire-or so Anita thinks. The human consort of Master Vampire Jean-Claude and Micah, the leopard shapeshifter, Anita Blake must come to Jean-Claude's assistance when his oldest ancestor sends one of her vicious and powerful underlings to St. Louis, threatening his and his clan's very existence. Reprint. Had everyone bitten tonight caught this? The other bites had not looked like vampire bites. They'd been zombie, or human looking. Was this infection something that vampires and shapeshifters could catch? If it was, then it was something new. Some zombies are raised. Others must be put down. Just ask me, Anita Blake, Vampire Hunter. Before now, I figured I could handle them. Before now, I had never heard of any of them causing human beings to perish in agony. But that's all changed. Micah's estranged father lies dying, rotting away inside from some strange ailment that has his doctor's whispering about 'zombie disease'. I make my living from zombies - but these aren't the kind I know so well. These creatures hunt

in daylight, and are as fast and strong as vampires. If they bite you, you become just like them. And round and round it goes ... Where will it stop? Even I don't know. 'These days my life is a cross between a preternatural soap opera and an action-adventure movie.' The first hit man came after me at home, which should be against the rules. Then there was a second, and a third. Word on the street is that Anita Blake, preternatural expert and vampire killer extraordinaire, is worth half a million dollars. Dead, not alive. So what's a girl to do but turn to the men in her life for help? Which in my case means an alpha werewolf and a master vampire. With professional killers on your trail, it's not a bad idea to have as much protection as possible, human or otherwise. But I'm beginning to wonder if two monsters are better than one... 'You can't trust anyone who sleeps with the monsters.' That's what I've always said. That's what I've always believed. But now I'm the one sharing a bed with the Master Vampire of the City. I'm Anita Blake, the woman the vampires call the Executioner. From part of the solution, I've become part of the problem. So it hits close to home when an arsonist begins to target vampire-owned businesses all over town - an arsonist who seems to want to destroy more than just property. It's the monsters who are in danger now. And it's up to the Executioner to save them from the inferno. Animator and vampire hunter Anita Blake is about to discover that some secrets are better left buried—and some people better off dead. In the thralls of supernatural passion, Anita Blake faces a most human dilemma. Unable

to forget her fiancé, whom she had left when she could not reconcile herself to his werewolf nature, vampire hunter Anita Blake seeks to prove his innocence when he is falsely accused of rape. When she learns that a vampire serial killer has been preying on the citizens of Las Vegas, vampire hunter Anita Blake tries to warn local authorities, only to discover that eleven people have already been taken down.

An Anita Blake, Vampire Hunter, novel

'Richard was an alpha werewolf. It was his only serious flaw. We'd broken up after I'd seen him eat somebody.'

You never forget your ex-fiance. And when the call came at three in the morning, I thought for a moment it was him. It wasn't. It was his brother. And it wasn't good news. Apparently the former love of my life had got himself thrown into jail for assaulting a woman. Since I make my living as a preternatural expert, I tend to believe almost anything's possible. But though he may be one of the monsters, Richard would never harm a woman. So it's Anita Blake to the rescue. I've got just a few days to spring Richard and find out who framed him - and why. There's a full moon coming, and if my werewolf love is still behind bars when it rises, he'll be facing a lot worse than an assault charge...

'They will play with us, then destroy us... They are what we fear in the dark.'

The first warning is unexpected, calculated. The second warning is a gift: a plain white mask, carefully

wrapped. But white is good - white means we are only being watched. It seems the power that connects me, Anita Blake, with Jean-Claude Vampire Master of the City and Richard, leader of the werewolves, is attracting very unwelcome attention - from creatures so feared no vampire will willingly speak their name. They are known as the Harlequin, and they have the authority to pass judgement upon me. It is forbidden to speak of the Harlequin unless you've been contacted. And to be contacted is to face a sentence of death.
