The Ultimate Guide to a Paralegal Career May 15 2021 If you are a young person with an interest in the legal field, but not yet certain about your life's goals, becoming a trained paralegal may be the answer for you. There are two main reasons for considering this possibility. First, paralegal work is a great career in itself. After you have begun this type of work, you may decide that the number of options open to paralegals contains the job that you truly want. Discover everything you need to know by grabbing a copy of this ebook today.

[Certified Paralegal Review Manual: A Practical Guide to CP Exam Preparation](#)

Jun 27 2022 Like the exam itself, this comprehensive manual is known in the field for high standards of paralegal professionalism and excellence. This latest edition is an invaluable resource for those preparing to take the Certified Legal Assistant (CLA) /Certified Paralegal (CP) Examination administered by the National Association of Legal Assistants. The manual first describes the CLA/CP exam in detail so that readers are well-prepared for the essential elements of the test--including aspects of grading, retake policy, eligibility requirements, preparation for the exam, group study, and taking the examination. It then delves into specific content areas of the test including legal terminology, communications, administrative law, and bankruptcy law. This third edition thoroughly covers each section of the exam with extensive outlines, examples, facts, and charts for review. Sample tests, study tips, and overall best practices are provided to fully prepare test-takers on their way to success. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Introduction to Paralegal Studies May 03 2020 Introduction to Paralegal Studies:

A Critical Thinking Approach frames concepts and practice within the authors ' trademark design for learning that fosters critical thinking and analysis. This comprehensive, intelligent text offers an introduction to law and legal concepts combined with practical information about what paralegals actually do in the legal system. A critical thinking approach is used to introduce students to the study of law, encouraging them to interact with the materials through hypotheticals, examples, and discussion questions. New to the Seventh Edition: Several organizational changes make the book even easier to use: Criminal Law and Procedure was split into two chapter. This change made the chapters more manageable for students to read and understand. The authors made it easier to compare and contrast Criminal Law and Criminal Procedure with Civil Litigation and Torts by grouping these chapters together. This also provides a more natural flow to the topics that follow in the chapter on Specialized Practice Areas.

Thorough updates throughout with new and expanded topics and discussions of recent court decisions. Includes changes that have occurred in the legal profession due to COVID-19. New Legal Reasoning exercises, Discussion Questions, Review Questions, and updated the Web Exercises. Enhanced section on executive power Updated to cover the 21st edition of The Bluebook (published July, 2020.) Professors and student will benefit from: Comprehensive coverage of all the key topics typically included in the introductory course, in four parts: Part I: Paralegals and the American Legal System; Part II: Substance of the Law; Part III: Legal Analysis and Research; Part IV: Paralegals and the Work World. Critical thinking approach teaches students not only the facts about the law, but also how to apply it. Pedagogy includes ethics alerts, marginal definitions, reasoning exercises, hypotheticals, and examples. Coverage of specialized practice areas such as business, employment, immigration, real estate, and family law. Paralegal profiles provide context and real-world perspective. Well-written, teachable book with comprehensive coverage and

thoughtful pedagogy. Text is readable without talking down to students. Structure of chapters ensures that students understand and learn the material. Author team brings a wealth of experience to the book. Strong ancillary materials enhance the book's carefully crafted content.

CLA Review Manual Jan 23 2022 This manual is a comprehensive study tool for the Certified Legal Assistant (CLA) Examination administered by the National Association of Legal Assistants, Inc. The manual thoroughly covers each section of the exam with extensive outlines, examples, facts, and charts for review. Sample tests are included at the end of each chapter. Tips for studying and successful completion of the exam are also provided. The new edition has been completely updated to reflect the latest changes in the law and the CLA Examination.

The Lawyer's Guide to Increasing Revenue Jan 29 2020 "Are you ready to look beyond cost-cutting and toward new revenue opportunities? Learn how you can achieve growth using the resources you already have at your firm. Discover the factors that affect your law firm's revenue production, how to evaluate them, and how to take specific action steps designed to increase your returns. You'll learn how to best improve performance and profitability in each of the key aspects of your law firm."--BOOK JACKET.

Legal Logic: A Guide for Paralegals and Law Students Sep 18 2021 The substance of this book is derived from lectures presented to working paralegals as the first in a series of "foundation courses" intended to supplement their prior education and experience and to enhance their capacity to more competently handle tasks normally handled by lawyers. The course, and this book, is a condensed version of a full semester course in Aristotelian logic, tailored to the needs of people engaged in the analysis of legal issues, either as employee or as student. There are several primary objectives. the first is not to create logicians, but to foster the students' awareness of their own reasoning processes by discussing the importance of words, their definitions, uses and relationships, and to provide tools for testing whether conclusions are valid or invalid using formal (logical) analysis. The second broader objective is to provide a foundation for further study and use of the principles of effective communication and

interpretation of communication. Another more specific objective is to show the use of the tools of logic in a legal context, particularly the formal analysis of case law. About the author: The author has practiced law since 1967. During his tenure as Counsel with a major financial services corporation, he was responsible for its law department's paralegals and paralegal development program. Those duties led him to develop the three foundation courses that are now available in book and digital form: Legal Logic, Legal Promise, and Legal Method.
