11th Annual Advanced Business Law Course Feb 09 2021

Building an Adapted Business Law Oct 20 2021 This volume contains the scientific papers presented at the Eleventh International Conference „Perspectives of Business Law in the Third Millennium“ that was held on 19 November 2021 in online format on Zoom. The conference is organized each year by the Faculty of Law of the Bucharest University of Economic Studies together with the Society of Juridical and Administrative Sciences. The scientific studies included in this volume are grouped into five chapters: Stop or go back to business as unusual — legal issues impacting businesses during this time; Changes in the legal landscape, regulatory challenges and more; In-depth look at business law topics; European overview of the legal and business considerations. The present volume is addressed to practitioners, researchers, students and PhD candidates in juridical sciences, who are interested in recent developments and prospects for development in the field of business law at international and national level.

Business Law Apr 06 2023 "Business law is an evolving outgrowth of its environment, and the legal environment keeps changing. This new edition of Business Law emphasizes coverage of online law, e-commerce, and information technology as key parts of the legal environment. In addition, this book covers social, ethical, and global issues that are important to the study of business law"--

Business Law Feb 21 2022 Présentation de l'éditeur : "Business Law: Legal Environment, Online Commerce, Business Ethics, and International Issues is an engaging text that teaches students about the workings of business law by examining real case studies and examples. The material explores core issues in both national and international business law in depth while remaining brief and concise. The Ninth Edition has been updated with a wealth of new cases from the U.S. Supreme and Federal Courts for students to investigate, as well as new examples of environmental, digital and international business legal cases. An exploration of ethics takes business law education a step further by teaching students how to practice justly. Illustrated with beautiful imagery, Business Law uses tangible examples that students will be able to reference in their future careers to introduce students to this important topic."

Law, Business, and Society May 03 2020 "Our primary goal is to provoke student thought. To that end, we place heavy emphasis on analysis. We consider the questions we ask more important than the answers to those questions. We introduce the student to existing policy in the various substantive areas to encourage understanding and retention, as well as careful thought about the desirability of those policies. Our book takes a strong public policy orientation. Attention in Unit I to political economy and ethics is a necessary foundation on which the student can build a logical understanding of the regulatory process. Thereafter, those business and society themes persist throughout the book. In virtually every chapter, we look beyond the law itself to other social and environmental forces. For example, in the antitrust chapters, economic philosophy is of great importance. Antitrust is explored as a matter of national social policy. We argue that antitrust has a good deal to do with the direction of American life generally. Law is at the heart of the fair employment practices section, but we also present material from management, sociology, history, and popular culture to treat fair employment as an issue of public policy rather than as a series of narrower technical legal disputes. The law is studied in the economic, social, and political context from which it springs. These multidimensional approaches characterize most chapters as we attempt to examine the various topics as a whole and in context. At the same time, the law remains the core of the book. Broadly, our adjustments for this twelfth edition were designed to refresh the book and achieve increased reader interest, but more specifically this edition is directed to the nation's ongoing debate about how much government we need in our lives, particularly in our business lives. International issues also receive extensive attention, as well as critics of business values and the American legal system. Although the general structure and philosophy of the book are unchanged, we have made significant revisions including many new questions and several new law cases. Law cases are long enough to clearly express the essence of the decision while challenging the reader's intellect"--

Cengage Advantage Books: Business Law Today, The Essentials: Text and Summarized Cases Mar 25 2022 Interesting, clear, and applied, BUSINESS LAW TODAY, THE ESSENTIALS: TEXT AND SUMMARIZED CASES, 11E is a concise guide to the law and what it means in the business world -- from contracts and secured transactions to warranties and government regulations. Business Law and the Regulatory Environment Oct 08 2020 Mallor's 11ed is designed to meet the needs of the two-term course. The first term is generally required of business majors and the second by accounting majors, as it prepares them to sit for the CPA exam. The cases in the 11ed are excerpted and edited by the authors, however, the syntax is not altered, therefore retaining the language of the courts. However, this edition will now include a mix of actual AND hypothetical cases. 11ed is easily available for customization. Mallor is considered by the marketplace to be the most complete text available.

Commonwealth Caribbean Business Law Jun 03 2020 Commonwealth Caribbean Business Law breaks away from the traditional English approach of treating business law primarily as the law of contract and agency. The book takes a panoramic view of the foundation of various legal systems with a subsequent examination of different areas of legal liability that may affect business activities. These areas include contract law, agency, tort law, criminal law, and internet law as significant challenges confronting the business sector. The book primarily targets the development of business law in several Caribbean Commonwealth jurisdictions but also, where appropriate, embraces the jurisprudence of other Commonwealth nations such as the United Kingdom, Canada and Australia. With respect to internet law, the proliferation of judicial pronouncements emerging from the United States provided the platform for the only non-Commonwealth treatment of a topic. The approach of the book is to use excerpts from judgments so as to allow students, particularly the non-legal student, to understand legal principles as espoused by the judiciary without the filtering bias of authors.

Business Law May 27 2022 The 11th edition of Business Law with UCC applications presents an up-to-date teaching-learning system that is written in an easy-to-understand style and provides comprehensive information about all facets of business law. Material is presented in nine sections, which include relevant case studies featuring excerpts from the court's opinion. Content has been updated to reflect the many recent changes in the legal field and color photos throughout the text help students relate the material to their own lives. .

Business Law, 5th Edition Dec 30 2019 Business Law, 5th Edition (James et al.) is written for business students to provide a clear and accessible introduction to the legal system. Business law courses are the first exposure to law for many business students and the first time they are obliged to think deeply about the discipline. This updated edition presents business law in a practical context rather than the doctrinal context that many major legal publishers use. The Business Law interactive e-text features a range of instructional media content designed to provide students with an engaging learning experience. This includes practitioner videos from Herbert Smith Freehills, animated work problems and questions with immediate feedback. This new edition is a unique resource that can form the basis of a blended learning solution for lecturers.

Business: Its Legal, Ethical, and Global Environment Aug 18 2021 Comprehensive and practical, BUSINESS: ITS LEGAL, ETHICAL, AND GLOBAL ENVIRONMENT, 11E emphasizes real-world applications and encourages critical-thinking skills. While exploring the intersection of law, business strategy, and ethics, readers apply the book's concepts to more than 200 real-world situations and a wealth of learning features. The approach is designed to further heighten readers' own sense of morality. BUSINESS: ITS LEGAL, ETHICAL, AND GLOBAL ENVIRONMENT, 11E effectively illustrates how law and ethics apply to issues in the workplace and serves as an excellent resource for future business managers. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Keenan and Riches' Business Law Feb 04 2023 Keenan & Riches' Business Law is well known and highly regarded as a reliable and practical guide to the law as it applies to the world of business. The text combines a solid academic reputation with clear language and practical features designed to assist the non-specialist, making it a favourite choice of students and professionals. The eleventh edition has been thoroughly updated to incorporate recent legal changes including the European Union Act 2011, the Parliamentary Voting System and Constituencies Act 2011, the Fixed Term Parliaments Act 2011, the Equality Act 2010 and changes in financial regulation as it affects companies. References to treaty articles have been renumbered to reflect changes made by the Consolidated Version of the Treaty on European Union and the Treaty on the Functioning of the Union. The new edition also presents current proposals for reform in areas of business law such as aspects of the Unfair Terms in Consumer Contracts Regulations, competition law, consumer rights and defamation.

Business Law for the Entrepreneur Mar 01 2020 As business law becomes increasingly complex, it has become more important for the entrepreneur to have an appreciation of the legal issues which may affect their venture. In this book, Jon Gill guides the entrepreneur through the range of legal issues which may affect their business, whether seeking to employ people, take on premises, protect IP rights, raise finance or realise a return on their investment on exit. By following the issues along the life-cycle of the company, the entrepreneur is provided with an invaluable first port of call whatever the stage of the business. The entrepreneur will then, with the benefit of professional advice, be able to minimise the risks, take advantage of the opportunities, and fulfil their business goals. Jon Gill has an LLB in Law from the University of Birmingham, and an MSc in Entrepreneurship with Distinction from the University of Bristol. He has also been involved in a number of start-up and small entrepreneurial businesses. He is now a trainee solicitor with Eversheds, the leading international law firm, and a visiting lecturer at the University of Bristol and the University of Bath School of Management

Keenan and Riches' Business Law Jan 03 2023 'Business Law' is specifically designed for non-law students studying the law relating to business. Maintaining the accessible approach which has made this book so popular, the authors provide user-friendly explanations to equip students with a good understanding of key legal concepts.

Business Laws [CA Foundation] Dec 10 2020 The book has been primarily designed for the students of C.A. Foundation course for the subject Business Laws. Written in concise and self-explanatory style, this book provides conceptual knowledge and understanding of various acts, such as, The Indian Contract Act, 1872; The Sale of Goods Act, 1930; The Indian Partnership Act, 1932. Further, chapters on The Limited Liability Partnership Act, 2008 and The Companies Act, 2013, have also been incorporated in the book keeping in view the new syllabus.

Business Law Mar 05 2023 This text is an accessible and student-friendly but authoritative and comprehensive textbook for students of commercial or business law.

The Legal Environment of Business: Text and Cases Sep 18 2021 Cross/Miller's market-leading THE LEGAL ENVIRONMENT OF BUSINESS: TEXT AND CASES, 11E delivers comprehensive, cutting-edge coverage using an interesting, understandable approach. You master vital skills as you study the legal environment within the context of law in today's increasingly regulated business world. Dozens of examples, business-oriented features, and step-by-step analyses place every topic within a meaningful context. You learn how today's legal environment is more about the constraints of business than the simple rules of law with this book's focus on managerial decision-making and current events. This edition makes ethics a priority with a new framework -- the IDDR Approach -- for making ethical decisions. The authors focus less on "black letter law" and more on broader issues that correspond to what business owners and managers face. Updated cases, content, and learning features present the latest developments and skills to succeed in today's legal landscape. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Law for Business Students Jan 23 2022 This book covers the core topics which appear most frequently on syllabuses and examination papers, and stresses the fact that law operates in the context of society and affects people on a daily basis.

Essentials of Business Law May 07 2023 "The new, eleventh edition of the Essentials of Business Law program is a practical, concise, and broad-based introduction to the vibrant field of business law. While continuing to offer all of the features that have made the ten prior editions successful, this new edition includes a chapter on the areas of law affected by social media, updated content, and enhanced support materials. Both the traditional areas of law, such as contracts and property, and the emerging areas of law, such as e-commerce and environmental, are covered in short, informative chapters written to capture the essence of each topic. The objective of the text throughout its coverage is ease-of-use, ease of teaching, ease of assessment, and ease of understanding. It has been developed for those seeking a more fundamental overview of the concepts and principles that are vital to the understanding of business law"--

Business Law Today, Comprehensive Aug 30 2022 Readers discover the excitement of cutting-edge business law as BUSINESS LAW TODAY: COMPREHENSIVE, 11E immerses learners in a wide selection of intriguing new cases and thorough coverage that reflects the latest developments in the field. This successful edition makes the study of business law appealing and relevant without sacrificing the legal credibility and comprehensive coverage. Each chapter's visually engaging, time-tested learning tools illustrate how law is applied to real-world business problems. Excerpted cases in the language of the court familiarize readers with legal language while emphasizing the relevance of case decisions. Readers see how landmark cases, statutes, and other laws significantly impact the way businesses today operate both within the United States and across the globe. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A Textbook of Company Law, 11th Edition Nov 01 2022 The eleventh edition of this essential textbook captures the changing landscape of Company Law. The book has been revised to include the notable changes brought about by the Companies (Amendment) Act, 2015. It provides an incisive analysis of the strategic shift brought by the Companies Act, 2013 and the dimensions of the enabling provisions of the new law. Interesting and easy to understand, this book is a concise text on company law. It discusses the core features of company law, the regulations binding the relationships, the legal strategies to address the ascending problems and the legal trade-offs. Besides focus on the core topics, all the judicial and statutory developments, taken place so far, have been taken into account. Case laws are integrated throughout the book to illustrate key topics. Students preparing for Company Law or Corporate Law paper of respective examinations will find this book immensely useful.

The Greening of European Business under EU Law Apr 25 2022 The relationship between environmentally sustainable development and company and business law has emerged in recent years as a matter of major concern for many scholars, policy-makers, businesses and nongovernmental organisations. This book offers a conceptual analysis of the principles of sustainable development and environmental integration in the EU legal system. It particularly focuses on Article 11 of the Treaty on the Functioning of the European Union (TFEU), which states that EU activities must integrate environmental protection requirements and emphasise the promotion of sustainable development. The book gives an overview of the role played by the environmental integration principle in EU law, both at the level of European legislation and at the level of Member State practice. Contributors to the volume identify and analyse the main legal issues related to the importance of Article 11 TFEU in various policy areas of EU law affecting European businesses, such as company law, insurance and state aid. In drawing together these strands the book sets out the requirements of environmental integration and examines its impact on the regulation of business in the EU. The book will be of great use and interest to students and researchers of business law, environment law, and EU law.

Business Law Today, Standard: Text & Summarized Cases Sep 30 2022 BUSINESS LAW TODAY: STANDARD EDITION, 11E combines the legal credibility, authoritativeness, and comprehensiveness of a traditional business law book with strong visual appeal and reader-friendly features.
