The common thread is the wealthy aristocrat and politician Plantagenet Palliser and (in all but the last book) his wife Lady Glencora. The plots involve British and Irish politics in varying degrees,

specifically in and around Parliament. Plantagenet Palliser is a main character in the Palliser novels. First introduced as a minor character in *The Small House at Allington*, one of the Barsetshire novels, Palliser is the heir presumptive to the dukedom of Omnium. Palliser is a quiet, hardworking, conscientious man whose chief ambition in life is to become Chancellor of the Exchequer. After an unwise flirtation with the married Lady Dumbello (daughter of Dr. Grantly and granddaughter of the Reverend Mr Harding from *The Warden* and *Barchester Towers*), he agrees to an arranged marriage with the great heiress of the day, the free-spirited, spontaneous Lady Glencora M'Cluskie.

The letters express deep concerns about 20 different topics—including addictions, dis-ease, family relationships, the inner child, and parenting, just to name a few. Almost all of the people who have written to me have wanted to change themselves—and their world—in some way. In my replies, I've tried to be the catalyst that helps these individuals accomplish their goals. I think of myself as a stepping-stone on a pathway of self-discovery. Perhaps you will see some aspect of yourself in these pages. It is my belief that by reading about other people's challenges and aspirations, we can see ourselves and our

own problems in different ways. Sometimes we can use what we learn from others to make changes in our own lives. I hope this book will allow you to realize that you, too, have the strength within to change, and to find solutions on your own—that is, to seek the answers that are within you." — Louise L. Hay
