Have you heard that several of your friends have failed? Do you want to prove your worth and realize the American dream? If you answered "Yes" read on as I have something for you. I imagine you haven't passed a school exam in years, and you are worried because this time, the result is not just a grade but can be a game-changer in your citizenship. I have seen many such cases among my students who, due to lack of time in long shifts, find themselves with less than an hour every evening to prepare for the test. However, by relying on the proper preparation, you can make even half an hour of study worth many more hours. In this book, you will discover: The ABCs of the USA: a pure excerpt of the basic knowledge (without useless chatter) of the geography, history, legislation, and rights that are required, The secrets of the oral interview and other processes: pack all the information and documentation you need to get through this frictionless journey. Examiners will be surprised to see you so confident and prepared, Get it wrong in training and win on the pitch: you will find two comprehensive tests designed to do your practice and fully understand the correct answers as if there were a coach beside you. The tests are purposely more complex than usual as you should train with ankle weights so that taking the exam will be easier. I know you would like to achieve all this effortlessly, but it is impossible. However, this guide will find the quickest and most effective way to get you to the top with as little effort as possible.
