The Plays of Samuel Beckett provides a stimulating analysis of Beckett's entire dramatic oeuvre, encompassing his stage, radio and television plays. Ideal for students, this major study combines analysis of each play by Katherine Weiss with interviews and essays from practitioners and scholars. At its simplest, this is the story of an adoption. Simple stops there. This is a book that takes you to Europe's highest mountain, to Moscow in chaos, to the streets and valleys of Bulgaria, and the palaces of Vienna, all part of the unimaginable tangle that begins when a 13-year old Russian sends a fax to America. Anyone who has been involved with adoption, or has contemplated adoption, will feel the twists and turns, the emotional peaks and valleys. Normally, international adoptions involve infants, who in effect, start an entirely new life before they are old enough to remember anything about their pre-adoption days. On the other hand, a 13-year old: Is already formed, has a culture and a language (which isn't yours) Has parents who have raised him so why would they let him go? He still loves his birth parents, and they have raised him well. So, what is going on? In this case, has had more than his fair-share of tragedy, dislocation and trauma, and is in for a lot more before the book is done The story truly has all the elements of a suspense novel, and it teaches you never to take anything for granted, never to give up, and never to think that anything is hopeless. There is deep, deep sadness in this book, as well as the miracle of two families fusing into one. There is a lot of laughter too, and many, many wonderful characters, some of whom could have stepped out of the pages of Dickens. Furthermore, what happened next well that is even more remarkable. But, that is another story. "The Guv'nor" was a classic book that started an entire genre. It was the original and incredible true story of the world's greatest hard man, Lenny McLean. Ever since it was published, fans of Lenny have been clamouring to know more and more about this legendary figure. Now, at last, Lenny's co-author Peter Gerrard has gathered together the stories that Lenny told about his life that did not make it into the original book...Lenny McLean's life story is an inspirational one. A bare-knuckle fighter by profession, he was one of the most notorious figures ever to emerge from the East End of London. Whoever you were, if you did right by the Guv'nor, you'd have a friend for life; if you crossed him, it would be at your peril. His untimely death in 1998, following a battle against cancer, was a tragic loss for family and friends and left his legions of fans shocked and bereft. Now those fans have a unique opportunity to learn more about their hero. So packed with adventures, bouts, rucks and amazing stories was Lenny's life that it would have been impossible to fit his whole life into one

book. Thanks to the conversations between Lenny and his 'book man' Peter Gerrard, the parts of his life that were not revealed before are now within these pages to be enjoyed and treasured by generations of his admirers. Als das erste Tape zu Ende ist, wissen wir, dass Renée an einer Lungenembolie gestorben ist. Rob Sheffield hat die ganze Nacht nicht geschlafen, sondern diese Kassette gehört, die seine Frau ihm hinterlassen hat. Es ist ihr letztes Date, nur Rob, Reneé und ein paar Songs. In »Love is a Mix Tape« erzählt Rob Sheffield, Redakteur beim amerikanischen »Rolling Stone«, entlang von 15 Kassetten die Geschichte seiner kurzen Beziehung zu Renée, einem Mädchen, das eigentlich viel zu cool für den schüchternen Rob war, das sich aber trotzdem in ihn verliebte. Ein Punkrock-Girl, wie es sie nur in den neunziger Jahren gab, als Pavement, Nirvana und R.E.M. eine Musik-Explosion auslösten. Aber auch Elvis, die Rolling Stones, Missy Elliott, Yo La Tengo gehören zum Soundtrack ihrer gemeinsamen Geschichte. Sie heiraten, leben zusammen, kaufen sich einen Hund, und dann stirbt Renée. Rob schafft es nicht, in der Wohnung zu bleiben, meidet Restaurants und Lokale, die er mit Renée besucht hat. Er schläft nicht und sucht Antworten in der Musik. Dabei ist es unwichtig, ob es sich um gute oder schlechte Songs handelt. Rob Sheffield gelingt es, unprätentiös, leicht und ohne falsche Hemmungen über den Verlust eines geliebten Menschen zu schreiben. Yearbook of Central European culture. In 2000-2001, Michael Jackson sat down with his close friend and spiritual guide, Rabbi Shmuley Boteach, to record what turned out to be the most intimate and revealing conversations of his life. It was Michael's wish to bare his soul and unburden himself to a public that he knew was deeply suspicious of him. The resulting thirty hours are the basis of The Michael Jackson Tapes. There has never been, and never will be, anything like them. In these searingly honest conversations, Michael exposes his emotional pain and profound loneliness, his longing to be loved, and the emptiness of his fame. You discover why he was suspicious of women and how only children provided the innocence for which he so desperately longed. In his own words, he takes us into the jarring moments of his childhood and speaks of the measures he took to try and heal. He divulges how he came to be alienated from his strong religious anchor and describes his views on the nature of faith. Michael brings us into his tortured yet loving relationship with his siblings. He opens up about his father and his yearning for a time when they might finally reconcile. He talks about his most personal friendships and shares with us his terror of growing old. Despite his unprecedented fame and recent death, there remain unanswered questions about his life. The answers, presented here in The Michael Jackson Tapes, will both intrigue and move you. You will be surprised, riveted, and troubled as you peer into the soul of a tragic icon whose life is an American morality tale and whose flame was extinguished much too early. November 22, 1963: The assassination of a president devastates America. But a phone call brings even more tragic news to Vikki Ward—her TV reporter husband was found dead in his Dallas hotel room that morning. Finding his notes, Vikki realizes her husband was embroiled in the plot to kill JFK—but his mission was to prevent it. When the Dallas police rule his death accidental, Vikki vows to find out who was behind the murders of JFK and her husband. With the help of her father and godfather, she sets out to uncover the truth. Aldobrandi Po, the bodyguard hired to protect Vikki, falls in love with her almost as soon as he sets eyes on her. But he's engaged to be married, and she's still mourning her husband. Can they ever hope to find happiness in the wake of all this tragedy? Samuel Beckett watching the final rehearsal of Krapp's Last Tape and its effects on the production team, climaxing in a final tragic event. A psychological drama of great intensity. On April 20, 1999, Eric Harris and Dylan Klebold walked into Columbine High School in Littleton, Colorado. Over the course of minutes, they would kill twelve students and a teacher and wound twenty-four others before taking their own lives. For the last sixteen years, Sue Klebold, Dylan's mother, has lived with the indescribable grief and shame of that day. How could her child, the promising young man she had loved and raised, be responsible for such horror? And how, as his mother, had she not known something was wrong? Were there subtle signs she had missed? What, if anything, could she have done differently? These are questions that Klebold has grappled with every day since the Columbine tragedy. In A Mother's Reckoning, she chronicles with unflinching honesty her journey as a mother trying to come to terms with the incomprehensible. In the hope that the insights and understanding she has gained may help other families recognize when a child is in distress, she tells her story in full, drawing upon her personal journals, the videos and writings that Dylan left behind, and on countless interviews with mental health experts. Filled with hard-won wisdom and compassion, A Mother's Reckoning is a powerful and haunting book that sheds light on one of the most pressing issues of our time. And with fresh wounds from the recent Newtown and Charleston shootings, never has the need for understanding been more urgent. All author profits from the book will be donated to research and to charitable organizations focusing on mental health issues. From the Salem Witch Trials of 1692 to the Sandy Hook school massacre of 2012, this two-volume encyclopedia surveys tragic events—natural and man-made, famous and forgotten—that helped shape American history. • Covers a wide range of topics, from the infamous to the obscure • Places each event in context, giving it deeper meaning and showing its impact • Includes primary source material from U.S. Supreme Court cases, presidential speeches, eyewitness accounts, state and federal legislation, and federal government investigations • Brings the events it covers to life through photos and illustrations The Porter brothers, Glenn and Steven, were in their twenties and had their whole lives in front of them.

They found jobs and worked at a business where the wealthy owners had two beautiful daughters. Glenn and Steven pursued these two girls with hopes of marriage. The Porters eventually quit working at the business, and everything turned against them. The two daughters labeled the Porter Brothers as runners, men who run away from the responsibility of marriage, while their rich parents put out a statewide man hunt alert for the state of Maine. The Porters were blacklisted statewide. Their story caught on like wildfire through the rest of Maine. Many people were jealous that they could become rich overnight by marrying these two wealthy daughters. There would be more than one murder attempt on the Porter brothers' lives in order to prevent them from becoming rich. This is the Porter Brothers' Tragedy, filled with romance, violence, and stories of torture and disappointed hopes. A shockingly revealing book about the life and death of one of the 20th century's greatest icons. Marilyn Monroe, a talented actor, who remains an ideal of western female beauty today, died in what was popularly thought at the time to be a suicide, on August 5, 1962. She was only 36 years old. Victim offers a new exploration of what really happened to Marilyn. Long the subject of passionate conjecture -- Smith uncovers new truths with this book based on a never-before-seen transcript of Marilyn Monroe's last tape, made for her psychiatrist just a week before she died. Matthew Smith is an expert on John F. Kennedy's presidency and has written several books about J.F.K. and the events surrounding Marilyn's death. In *The Men Who Murdered Marilyn* he presented new interviews with friends and associates of Marilyn. Now, in his latest book, he delves even deeper into the subject with material taped directly from Marilyn herself speaking to the most trusted confidante she could have -- her psychiatrist. What was Marilyn's state of mind just before her death? Victim offers new evidence as well as Marilyn's personal opinions about the famous crowd she was part of -- Frank Sinatra, Mae West, John F. Kennedy and other significant characters in her tragic story. A landmark book to commemorate the 40th anniversary of Marilyn's death. A must-have for the millions of Marilyn fans around the world. In 2000/2001, Michael Jackson sat down with his close friend and spiritual guide, Rabbi Shmuley Boteach, to record what turned out to be the most intimate and revealing conversations of his life. It was Michael's wish to bare his soul and unburden himself to a public that he knew was deeply suspicious of him. The resulting thirty hours are the basis of *The Michael Jackson Tapes*. There has never been, and never will be, anything like them. In these searingly honest conversations, Michael exposes his emotional pain and profound loneliness, his longing to be loved, and the emptiness of his fame. You discover why he was suspicious of women and how only children provided the innocence for which he so desperately longed. In his own words, he takes us into the jarring moments of his childhood and speaks of the measures he took to try and heal. He divulges how he came to be alienated from his strong religious anchor and describes his views on the nature of faith. Michael brings us into his tortured yet loving relationship with his siblings. He opens up about his father and his yearning for a time when they might finally reconcile. He talks about his most personal friendships and shares with us his terror of growing old. Despite his unprecedented fame and recent death, there remain unanswered questions about his life. The answers, presented here in *The Michael Jackson Tapes*, will both intrigue and move you. You will be surprised, riveted, and troubled as you peer into the soul of a tragic icon whose life is an American morality tale and whose flame was extinguished much too early. With articulate words, Tommy Tenney helps lead us past tragedy to that place of trust. After reading this book, you will know what to do and know what to say. Most people—including Christians—avoid brokenness and personal failure at all costs. They will deny the truth to avoid pain. Yet tragedy visits every generation; hardship touches every life. The only question, then, is how will we respond. God promises to be near the brokenhearted. As Tenney puts it, "God is waiting to meet us on our way home from the funeral. The One who said, 'Blessed are those who mourn, for they shall be comforted,' fully intends to comfort us personally if we make the effort to detour from our road of grief to search for Him." Many believers first turned to God in the moment of crisis. *Trust and Tragedy* shows them how to find Him there again. For "whenever there is earthly brokenness, there is always heavenly openness." This powerful retrospective analysis of the aftermath of the 1999 Columbine High School shooting considers society's response to the attack, the long-term implications of the shooting, and the ways in which research and related policy must continue to move forward.

- Analyzes the broad cultural impact of the Columbine High School shooting
- Reviews changes in police responses that have developed since the day of the attack
- Examines warning signs that pre-dated the attack and how threat assessment has advanced to preclude similar tragedies
- Explores legislative responses in the aftermath and why they were not successful
- Considers the lessons learned in the 20 years after the shooting and how they can be used to prevent future acts of mass violence

TV Writing On Demand: *Creating Great Content in the Digital Era* takes a deep dive into writing for today's audiences, against the backdrop of a rapidly evolving TV ecosystem. Amazon, Hulu and Netflix were just the beginning. The proliferation of everything digital has led to an ever-expanding array of the most authentic and engaging programming that we've ever seen. No longer is there a distinction between broadcast, cable and streaming. It's all content. Regardless of what new platforms and channels will emerge in the coming years, for creators and writers, the future of entertainment has never looked brighter. This book goes beyond an analysis of what makes great programming work. It is a master course in the creation of entertainment that does more than meet the standards of modern audiences—it challenges their

expectations. Among other essentials, readers will discover how to: Satisfy the binge viewer: analysis of the new genres, trends and how to make smart initial decisions for strong, sustainable story. Plus, learn from the rebel who reinvented an entire format. Develop iconic characters: how to foster audience alignment and allegiance, from empathy and dialogue to throwing characters off their game, all through the lens of authenticity and relatability. Create a lasting, meaningful career in the evolving TV marketplace: how to overcome trips, traps and tropes, the pros and cons of I.P.; use the Show Bible as a sales tool and make the most of the plethora of new opportunities out there. A companion website offers additional content including script excerpts, show bible samples, interviews with television content creators, and more. From Lyndon Johnson's closest domestic adviser during the White House years comes a book in which "Johnson leaps out of the pages in all his raw and earthy glory" (The New York Times Book Review) that's been called "a joy to read" (Stephen Ambrose, The Washington Post Book World). Califano takes us into the Oval Office as the decisions that irrevocably changed the United States were being crafted to create Johnson's ambitious Great Society. He shows us LBJ's commitment to economic and social revolution, and his willingness to do whatever it took to achieve his goals. Califano uncorks LBJ's legislative genius and reveals the political guile it took to pass the laws in civil rights, poverty, immigration reform, health, education, environmental protection, consumer protection, the arts, and communications. President Lyndon Johnson was bigger than life—and no one who worked for him or was subjected to the "Johnson treatment" ever forgot it. As Johnson's "Deputy President of Domestic Affairs" (The New York Times), Joseph A. Califano's unique relationship with the president greatly enriches our understanding of our thirty-sixth president, whose historical significance continues to be felt throughout every corner of America to this day. A no-holds-barred account of Johnson's presidency, *The Triumph and Tragedy of Lyndon Johnson* is an intimate portrait of a President whose towering ambition for his country and himself reshaped America—and ultimately led to his decision to withdraw from the political arena in which he fought so hard. A new portrait of Henry Kissinger focusing on the fundamental ideas underlying his policies: Realism, balance of power, and national interest. Few public officials have provoked such intense controversy as Henry Kissinger. During his time in the Nixon and Ford administrations, he came to be admired and hated in equal measure. Notoriously, he believed that foreign affairs ought to be based primarily on the power relationships of a situation, not simply on ethics. He went so far as to argue that under certain circumstances America had to protect its national interests even if that meant repressing other countries' attempts at democracy. For this reason, many today on both the right and left dismiss him as a latter-day Machiavelli, ignoring the breadth and complexity of his thought. With *The Inevitability of Tragedy*, Barry Gewen corrects this shallow view, presenting the fascinating story of Kissinger's development as both a strategist and an intellectual and examining his unique role in government through his ideas. It analyzes his contentious policies in Vietnam and Chile, guided by a fresh understanding of his definition of Realism, the belief that world politics is based on an inevitable, tragic competition for power. Crucially, Gewen places Kissinger's pessimistic thought in a European context. He considers how Kissinger was deeply impacted by his experience as a refugee from Nazi Germany, and explores the links between his notions of power and those of his mentor, Hans Morgenthau—the father of Realism—as well as those of two other German-Jewish émigrés who shared his concerns about the weaknesses of democracy: Leo Strauss and Hannah Arendt. *The Inevitability of Tragedy* offers a thoughtful perspective on the origins of Kissinger's sober worldview and argues that a reconsideration of his career is essential at a time when American foreign policy lacks direction. In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "The Michael Jackson Tapes: A Tragic Icon Reveals His Soul in Intimate Conversation." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all. *The Bush Tragedy* opens up the black box of the plane-crash presidency of George W. Bush to examine the political wreckage. How did a man of such evident flaws and limited abilities find himself in the position of the most powerful man in the world? How and why did half of America fall for Bush before falling out with him? Weisberg analyses Bush through familial, personal, political and historical relationships, and examines how his idolisation of Reagan and his devout Christianity led to widely condemned policy decisions that have fundamentally changed the role and position of the US. *The Bush Tragedy* is a razor-sharp character study of one of the most controversial presidents in American history.
