Intriguing, quirky, and deeply felt stories from Michigan fiction writer Andy Mozina, collected in his first full-length fiction release. Monograph on the historical development of men's clothing industry from about 1790 to 1970 in the USA - covers the retail trade immigrant workers, working conditions, living conditions, employers organization, trade unions, labour relations, the economic recession, wages, production, prices, future trends, etc. Bibliography pp. 369 to 371. This text is the first to provide a contextual understanding of the clinical issues that affect men and masculinity across a wide range of cultural and national settings. It demonstrates that gender can no longer be viewed as an isolated characteristic; in an era of increased globalization, mental health professionals need to take ethnic and cultural issues into account to provide adequate care for male patients. Numerous international perspectives are offered by the contributing authors, authorities from countries such as Australia, Argentina, Denmark, Canada, India, Ireland, and South Africa, on theoretical and clinical innovations for working with men. Their chapters also offer insight into the socio-cultural contexts for counseling men in and from their respective countries by exploring the ways in which "being a man" is socially defined, what unique challenges men face, and how these challenges can be negotiated within their specific cultural settings. Topics addressed will include boyhood notions of manhood, relationship concerns and power, fatherhood, and men's body image across the life span. This text will ultimately enable mental health practitioners to have a better understanding of how to work more effectively with male clients. "Case-study on the contraction and closure of railway workshops."--Introduction. DigiCat Publishing presents to you this special edition of "Beethoven, the Man and the Artist, as Revealed in His Own Words" by Ludwig van Beethoven. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature. Ein kraftvolles und provokantes Plädoyer für Veränderung! Unsere Welt ist von Männern für Männer gemacht und tendiert dazu, die Hälfte der Bevölkerung zu ignorieren. Caroline Criado-Perez erklärt, wie dieses System funktioniert. Sie legt die geschlechtsspezifischen Unterschiede bei der Erhebung wissenschaftlicher Daten offen. Die so entstandene Wissenslücke liegt der kontinuierlichen und systematischen Diskriminierung von Frauen zugrunde und erzeugt eine unsichtbare Verzerrung, die sich stark auf das Leben von Frauen auswirkt. Kraftvoll und provokant plädiert Criado-Perez für einen Wandel dieses Systems und lässt uns die Welt mit neuen Augen sehen. Matilda lives with her family on a farm. When she went to Hamburg for holidays, she lost her Mama Sunny in the park. This incident causes a great changing not only in her life. So sometimes, hopeless situations transform into fortune. Maybe only in a fairy tale, but maybe it can happen also in reality. Pauline Harmange hasst Männer – und zwar alle bis auf ihren Ehemann. In ihrem kurzen, pointierten Essay appelliert sie offenherzig, provokativ und nicht ohne Witz an alle Frauen, es ihr gleichzutun und sich nicht mehr darum zu scheren, was eine männerdominierte Umwelt ihnen entgegenbringt. Dabei ist ihr Buch keineswegs ein Aufruf zur Gewalt, sondern eine

Aufforderung zum Umdenken: Frauen sollten das Recht haben, Männer abzulehnen und ihnen misstrauisch zu begegnen. Denn dieser Perspektivwechsel kann ein emanzipatorischer und freudvoller Umgang mit einer Welt sein, die noch immer von Ungleichheiten in den Geschlechterbeziehungen geprägt ist. Männerhass ist für Harmange eine Möglichkeit der Befreiung in ein selbstbestimmteres Leben, in dem mehr Raum für weibliche Solidarität und mehr Verschwesterung sein sollte, eine Einladung an alle Frauen, Männer lustvoll zu meiden und Kraft aus den Beziehungen untereinander zu schöpfen. Men's Health magazine contains daily tips and articles on fitness, nutrition, relationships, sex, career and lifestyle. Originally published in 1954, this is the first full-length account of the history of the Working Men's College in St.Pancras, London. One hundred and fifty years on from its foundation in 1854, it is the oldest adult educational institute in the country. Self-governing and self-financing, it is a rich part of London's social history. The college stands out as a distinctive monument of the voluntary social service founded by the Victorians, unchanged in all its essentials yet adapting itself to the demands of each generation of students and finding voluntary and unpaid teachers to continue its tradition. This Third Edition of Men's Health provides a comprehensive and authoritative reference source to urologists, andrologists, family practitioners, and all professionals dealing with the male patient who diagnose and treat males with a variety of health problems, such as prostate cancer, male osteoporosis, and testicular cancer. The new edition been completely reorganized into disease- and problem-based sections, to highlight important topics such as cancer and premature cardiovascular disease. There is also new material on some of the less frequently explored areas of men's health, such as Tourette's Syndrome, depression, and cosmetic surgery. Chernyshevskii (1828-1889), a pivotal figure in the Russian protest movement after the Crimean War, was esteemed by Marx and Lenin. This first thorough treatment of Chernyshevskii in English is a biography and a presentation of his views on philosophy, aesthetics and literary criticism, economics and social relations, politics and revolution. Part memoir, part social commentary, Jan Waldron's "In the Country of Men is a thoughtful and provocative exploration of the meaning of gender, male-female relationships, and manhood. Jan's powerful but warm voice both provokes and seduces as she exposes the folly of gender shtick while carefully unraveling the intricate stitching of her life vis-a-vis the men who contributed to her definition of manhood: her father, her brother, her lovers, her sons. Waldron begins with memories of her father, a boy who never really grew up, and her brother, a boy who had to grow up too fast. We experience the high drama of her first kiss, and the deep disappointment of her relationship with the father of her sons, who left the family when their two boys were four and five. She is frustrated with men and the trappings of manhood but has finally found a happy, lasting relationship with a man, and in raising her sons, she has found hope and a vision for the future of gender relations. Her boys, now sitting on the cusp of manhood, are the stars of this book. "In the Country of Men is a book of experiences, insights, and impressions recalled and written with tenderness, humor, and great empathy for males. It is not a manifesto of absolutes or a male-bashing gripe; it is not aligned with a movement nor is it about men compared to women. Waldron is just as claustrophobic at a feminist rally as she is at a rowdy men's sports bar, and teenage boy humor cracks her up. She speaks boldly and authoritatively to both men and women alike because, as she sees it, the social imperative is for gender to take its place in the parentheses while freeing us all to find our humanity The works of Mary Wollstonecraft (1759-1797) ranged from the early Thoughts on the Education of Daughters to The Female Reader, a selection of texts for girls, and included two novels. But her reputation is founded on A Vindication of the Rights of Woman of 1792. This treatise is the first great document of feminism—and is now accepted as a core text in western tradition. It is not widely known that the germ of Wollstonecraft's great work came out of an earlier and much shorter vindication—A Vindication of the Rights of Men (1790), written in the context of the issues raised by the French Revolution. This edition, which follows the model of other Broadview Editions in including a range of materials that help the reader to see the work in the context of its era out of which it emerged, is arranged chronologically, opening with Wollstonecraft's "other vindication." It also includes a wide range of other documents in appendices, as well as a comprehensive and authoritative introduction, chronology, and full index. Peter Marshall was that rare man-a man completely at peace with God, yet utterly passionate about his world. In these two volumes-you'll glimpse both the extraordinary accomplishments and the dynamic inner faith of this servant of God. Anhand von sieben Kurzporträts illustriert Metaxas, was wahres Menschsein bedeutet. Mit dabei: Martin Luther, seit 500 Jahren ein Held. Sklavenbefreier William Wilberforce. Sportler Eric Liddell, dem Gott wichtiger war als seine Goldmedaille. Märtyrer Dietrich Bonhoeffer. Der erste schwarze Baseballspieler, Jackie Robinson. Papst Johannes Paul II., der für die Würde des Lebens eintrat. Und Ex-Präsidentenberater Charles Colson, für den Watergate zum Wendepunkt seines Lebens wurde. Der Bestsellerautor schreibt Beiträge für verschiedene Medien (u.a. New York Times, CNN). In Deutschland wurde er vor allem durch seine Bonhoeffer-Biografie bekannt. Inklusive 8-seitigem Bildteil. By synthesizing the latest research, clinical experience, and major theoretical perspectives on men and by figuring in cultural, class, and sexual orientation differences, the authors brilliantly illuminate the many variations of male behavior.
