The Cains who are the subject of this volume were of Dutch or German origin and were probably in America before 1730. Nicholas Cain (Kane or Cain) married Catherine ca. 1736, probably in Pennsylvania. Their nine children were born in Bucks County, Pennsylvania and Augusta County, Virginia between 1737 and 1750. First generation descendants lived in Virginia, Kentucky, and Ohio. Succeeding generations have spread into Indiana, Iowa, Kansas, and elsewhere. In this volume scholarly voices from diverse contexts and social locations are gathered together to bring new or unfamiliar facets of biblical texts to light, focusing on issues of intertextuality. Samuel, Kings and Chronicles I sheds light from new perspectives on themes in these so-called historical books including Asian American and Chinese readings, issues of land, genealogy and maleness. The authors challenge us to consider how we deal with cultural distances between ourselves and these ancient writings - and between one another in the contemporary world. These goal of these essays is de-centre the often homogeneous first-world orientation of much biblical scholarship and open to up new possibilities for discovery of

meaning and method. Harlequin Intrigue brings you three new titles at a great value, available now! Enjoy these suspenseful reads packed with edge-of-your-seat intrigue and fearless romance. NAVY SEAL SIX PACK SEAL of My Own by Elle James Raised on a ranch with the values and work ethic of a cowboy, Benjamin "Montana" Raines is as loyal and hard-working as they come and trusts his navy SEAL family with his life. When the nation's security is at risk, he joins forces with jaded, beautiful CIA agent Kate McKenzie to uncover a devastating conspiracy. IN THE ARMS OF THE ENEMY Target: Timberline by Carol Ericson When Caroline wakes up with amnesia in a hotel room with the body of a known drug dealer, she's desperate to unravel the mystery of her missing memories. But she's not sure if she can trust DEA agent Cole Pierson—is his trust in her deep enough that he'll help her keep her freedom? CHRISTMAS KIDNAPPING The Men of Search Team Seven by Cindi Myers Police therapist Andrea McNeil has a policy about not getting involved with law enforcement after her cop husband is killed in the line of duty. Atlantic Publishing prides itself on producing award winning, high-quality manuals that give readers up-to-date, pertinent information, real-world examples, and case studies with expert advice. Every book has resources, contact information, and web sites of the products or companies discussed.

Book 2 in the Conrad Chronicles begins with Xavier locked in a thousand cycle Death Duel with Gloria's twin sister Thera. Gloria, Regal, and the other Conrads of the Light struggle to heal the damage Xavier, his Outcasts, and his Carmine army have caused to the planet Karna and her inhabitants. As the Conrads of the Light work at advancing Karna's decimated technology, they come to learn that during Karna's former years, under the reigning High Kings, ships of people left to colonize other planets and head out to learn more while waiting for the Death Duel to end. 'Barbarians' is the name the Romans gave to those who lived beyond the frontiers of the Roman Empire - the peoples they considered 'uncivilised'. Most of the written sources concerning the barbarians come from the Romans too, and as such, need to be treated with caution. Only archaeology allows us to see beyond Roman prejudices - and yet these records are often as difficult to interpret as historical ones. Expertly guiding the reader through such historiographical complexities, Edward James traces the history of the barbarians from the height of Roman power through to AD 600, by which time they had settled in most parts of imperial territory in Europe. His book is the first to look at all Europe's barbarians: the Picts and the Scots in the far north-west; the Franks, Goths and Slavic-speaking peoples; and relative newcomers such as the Huns and Alans from the Asiatic steppes. How did whole barbarian peoples migrate across Europe? What were their relations with the Romans? And why did they convert to Christianity? Drawing on the latest scholarly research, this book rejects easy generalisations to provide a clear, nuanced and comprehensive account of the barbarians and the tumultuous period they lived through.

Despite considerable scholarly efforts for many years, the last two decades of the Kingdom of Israel are still beneath the veil of history. What was the status of the Kingdom after its annexation by Assyria in 732 BCE? Who conquered Samaria, the capital of the Kingdom? When did it happen? One of the primary reasons for this situation lies in the discrepancies found in the historical sources, namely the Hebrew Bible and the Assyrian texts. Since biblical studies and Assyriology are two distinct disciplines, the gaps in the sources are not easy to bridge. Moreover, recent great progress in the archaeological research in the Southern Levant provides now crucial new data, independent of these textual sources. This volume, a collection of papers by leading scholars from different fields of research, aims to bring together, for the first time, all the available data and to discuss these conundrums from various perspectives in order to reach a better and deeper understanding of this crucial period, which possibly triggered in

the following decades the birth of "new Israel" in the Southern Kingdom of Judah, and eventually led to the formation of the Hebrew Bible and its underlying theology. This work is the only comprehensive guide to sequels in English, with over 84,000 works by 12,500 authors in 17,000 sequences. If These Halls Could Talk: A Historical Tour Through San Francisco Recording Studios takes an in-depth look at San Francisco's colorful and diverse music and music recording history, covering both the recordings and recording studios that housed the jazz and blues of the '50s and psychedelic rock of the '60s, to the rock and funk of the '70s, punk and new wave of the '80s, and the alternative rock, R&B and hip-hop of the '90s through today. Leading Bay Area artists, producers, engineers, and studio owners take readers on a guided tour through some of San Francisco's top recording studios, venturing behind the scenes of some of popular music's hottest albums. Readers will learn about the recording techniques, the magic, and often unusual experiences that went into a wide range of recordings, including works by Jefferson Airplane, the Grateful Dead, Santana, the Pointer Sisters, Herbie Hancock, Journey, Huey Lewis and the News, Chris Isaak, Faith No More, Green Day, and many more. In addition, If These Halls COuld Talk chronicles the history of the studios themselves. The book discusses the arrival, growth, and departure of studios in and around San Francisco, the myriad advancements in technology through the years and its effect on the recording industry, and how the San Francisco Bay Area's recording facilities have endured through economic ups and downs, increased competition, decreased demand, and the ever-changing, unpredictable music industry.

In AD 453 Attila, with a huge force composed of Huns, allies and vassals drawn from his already-vast empire, was rampaging westward across Gaul (essentially modern France), then still nominally part of the Western Roman Empire. Laying siege to Orleans, he was only a few days march from extending his empire from the Eurasian steppe to the Atlantic. He was brought to battle on the Cataluanian Plain and defeated by a coalition hastily assembled and led by Aetius. Who was this man that saved Western Europe from the Hunnic yoke? While Attila is a household name, his nemesis remains relatively obscure. A genealogical compilation of the descendants of Henry & Margareth Crook and their seven children. The couple was married circa 1812 in South Carolina and by 1828 could be found in Rankin County, Mississippi. Many of the descendants are traced to the present, including biographies and photographs when available. This volume is an attempt to discuss the ways in which themes of authority and gender can be traced in the writing of chronicles and chronicle-like writings from the early Middle Ages to the Renaissance. With major contributions by fourteen authors, each of them specialists in the field, this study spans full across the compass of medieval and early modern Europe, from England and Scandinavia, to Byzantium and the Crusader Kingdoms; embraces a variety of media and methods; and touches evidence from diverse branches of learning such as language and literature, history and art, to name just a few. This is an important collection which will be of the highest utility for students and scholars of language, literature, and history for many years to come. Allie dives into college head first with Hailey as her roommate and the city of New Orleans as her backyard. As things within The Society heat up, Allie realizes that whether she's with Levi or not, she's in far too deep to turn back. *New Adult Paranormal Romance* A bundle of books #1 (LOVE LIKE THIS), #2 (LOVE LIKE THAT) and #3 (LOVE LIKE OURS) in Sophie Loves's The Romance Chronicles series. This bundle offers books #1, #2, and #3 in one convenient file, with over 200,000 words of reading. In LOVE LIKE THIS, Keira Swanson, 28, lands her dream job at Viatorum, a slick magazine in New York City, as an aspiring travel writer. But their culture is brutal, her boss is a monster, and she doesn't know if she can last for long. That changes when Keira, by a fluke, is handed a coveted assignment and given her big chance: to travel to Ireland for 30 days, witness the legendary Lisdoonvarna festival of love, and to debunk the myth that true love exists. Keira, cynical herself and in a rocky place with her long-term boyfriend, is all too happy to oblige. But when Keira falls in love with Ireland and meets her Irish tour guide, who just may be the man of her dreams, she is no longer sure of anything. In LOVE LIKE THAT, Keira Swanson returns to New York, her head spinning from her Ireland trip and still madly in love with Shane. But when a surprise event comes between them, their relationship may have to end. Keira is a star at her magazine, though, and they give her their next plum assignment: to travel to Italy for 30 days and discover what the Italian secret is to love. Keira, still reeling from her Ireland trip, finds her high expectations for Italy dashed, as nothing at first goes as was planned. In her whirlwind trip through Italy, spanning Naples, the Amalfi Coast, Capri, Rome, Verona, Venice and Florence, Keira begins to wonder if the Italians really do hold a secret to love. That is, until she meets her new tour guide—and everything she thought she knew is turned on its head. In LOVE LIKE OURS, Keira Swanson, returns to New York City, this time with Cristiano in tow. Having him in New York, and having him meet her family, is culture shock for them both. Keira is soon assigned a new article, her most important yet: a 30 day trip to Paris—with Cristiano in tow. Her assignment: to find out if their love can last in a foreign country, on new ground for them both. As Keira and Cristiano take the romantic trip of a lifetime to Paris, they find their love tested in unexpected ways. When a surprise twist comes their way, everything changes. Can their love withstand it? A whirlwind romantic comedy that is as profound as it is funny, THE ROMANCE CHRONICLES will make you laugh, cry, and will keep you turning pages late into the night—and will make you fall in love with romance all over again. A bundle of books #1

(LOVE LIKE THIS) and #2 (LOVE LIKE THAT) in Sophie Loves's The Romance Chronicles series. This bundle offers books #1 and #2 in one convenient file, with over 150,000 words of reading. It is 1653 and Heather Flower, a princess of the Montauk tribe, is enjoying her wedding feast when her groom is killed and she is kidnapped by a rival tribe and held for ransom. Though her ransom is paid by an Englishman, she is nonetheless left to die in a Connecticut forest--until she finds herself rescued by handsome Dutch Lieutenant Dirk Van Buren. Torn between her affection for Dirk and her long friendship with family friend Benjamin Horton, Heather Flower must make a difficult choice--stay true to her friend or follow her heart. Exploring a unique slice of history, Rebecca DeMarino transports readers to the wild land that would eventually become Long Island, New York. Her attention to detail and her captivating storytelling bring the New World to vivid life. Genealogy - the ancestors and descendents of schoolmaster Louis Butzow and his wife Maria Jallas of Kritzkow, Meckenberg, Germany at the turn of the 19th century. Falling in love is the worst complication... When a fire destroys her home, Theodora Dalton loses not only her every last possession, but her beloved father as well. Her nearest neighbor, Quinn Ford, graciously offers temporary lodgings to Theodora and her mother, but if she's going to see them on their feet sooner than later, she'll need employment. To that end, she convinces the viscount to employ her as his secretary. In her new position, she can manage Quinn's disastrously unorganized affairs-while also attempting to prove her father's death was more than mere accident. She has only to avoid the irresistible distraction that is the viscount himself. Quinn, Viscount Maitland, has paternal troubles of a different sort. The Earl of Templeton has forever attempted to use Quinn for his own gain, but just when he believes his father can sink no lower, he deals Quinn the ultimate

betrayal, sending him into a tailspin-and straight into the pleasurable arms of his new secretary. Theodora is efficient, smart and lovely...and the more his fondness for her grows, the more she seems determined to keep their affair strictly about business and mutual pleasure, with no hint of permanence. It will take some maternal meddling and an act of vengeance for Theodora to see the potential in a lasting merger...hopefully before it's too late. Rebel Hearts Series: Book 1: The Wedding Affair (Felix and Sally) Book 2: An Affair of Honor (William and Matilda) Book 3: The Christmas Affair (Harper and Amy) Book 4: An Affair so Right (Quinn and Theodora) Stop looking for the Book of Mormon in Mesoamerica and start looking for Mesoamerica in the Book of Mormon! Second Witness, a new six-volume series from Greg Kofford Books, takes a detailed, verse-by-verse look at the Book of Mormon. It marshals the best of modern scholarship and new insights into a consistent picture of the Book of Mormon as a historical document. Taking a faithful but scholarly approach to the text and reading it through the insights of linguistics, anthropology, and ethnohistory, the commentary approaches the text from a variety of perspectives: how it was created, how it relates to history and culture, and what religious insights it provides. The commentary accepts the best modern scholarship, which focuses on a particular region of Mesoamerica as the most plausible location for the Book of Mormon's setting. For the first time, that location—its peoples, cultures, and historical trends—are used as the backdrop for reading the text. The historical background is not presented as proof, but rather as an explanatory context. The commentary does not forget Mormon's purpose in writing. It discusses the doctrinal and theological aspects of the text and highlights the way in which Mormon created it to meet his goal of "convincing . . . the Jew and Gentile that Jesus is the Christ, the Eternal God." The second graphic novel in the series of adaptations of Heather Brewer's New York Times best-selling series. Freshman year stinks for Vlad Tod. Bullies still harass him. The photographer from the school newspaper is tailing him. And failing his studies could be deadly. A trip to Siberia gives study abroad a whole new meaning as Vlad connects with other vampires and advances his mind-control abilities, but will he return home with the skills to recognize a vampire slayer when he sees one? In this thrilling sequel to Eighth Grade Bites, Vlad must confront the secrets of the past and battle forces that once again threaten his life. This book examines six different monsters that appear in YA fiction: vampires, shapeshifters, zombies, unicorns, angels, and demons. Beginning with a discussion of the meaning of monsters in cultures all over the world, subsequent chapters discuss the history and most important incarnations of the aforementioned monsters. Titles featuring the same kind of monsters are compared, and interviews with authors provide insight into why they wrote these titles and information on why they are important. The bibliography at the end of the volume includes a comprehensive list of titles featuring the various monsters. Also includes known descendants of the brothers of Patrick Crowley: John Crowley (1819-1883); Thomas Crowley (1833-1896); Daniel Crowley (1824-1886), all born in Ireland and died in Iowa County, Wisconsin. Their descendants lived in Wisconsin, Colorado, Iowa, and elsewhere. In the first half of the twentieth century, a pioneering generation of young women exited their homes and entered public space, marking a new era for women's civic participation in northern

Sudan. A provocative new public presence, women's civic engagement was at its core a bodily experience. Amid the socio-political upheavals of imperial rule, female students, medical workers, and activists used a careful choreography of body movements and fashion to adapt to imperial mores, claim opportunities for political agency, and shape a new standard of modern, mobile womanhood. *Khartoum at Night* is the first English-language history of these women's lives, examining how their experiences of the British Empire from 1900–1956 were expressed on and through their bodies. Central to this story is the *tobe*: a popular, modest form of dress that wrapped around a woman's head and body. Marie Grace Brown shows how northern Sudanese women manipulated the tucks, folds, and social messages of the *tobe* to deftly negotiate the competing pulls of modernization and cultural authenticity that defined much of the imperial experience. Her analysis weaves together the threads of women's education and activism, medical midwifery, urban life, consumption, and new behaviors of dress and beauty to reconstruct the worlds of politics and pleasure in which early-twentieth-century Sudanese women lived. The Great War is finally over, but the Rutherfords' lives will never be the same. In the Devonshire countryside, the family is reunited at last. Heartbroken over past mistakes, Amanda seeks forgiveness in the bosom of her family and in her growing faith. As the Rutherfords look to the future, a discovery at Heathersleigh Hall leads them on an exciting new journey. *Vlad führt ein anstrengendes Leben: Auf der Highschool wird er ständig gemobbt, ein Vampirjäger ist ihm auf der Spur und er wird mit einer uralten Prophezeiung konfrontiert. Ja, und dann ist da noch seine grosse Liebe Meredith, aber er ist zu schüchtern, um mit ihr zu reden. Ab 12.* Heather loves Rick. Rick loves Heather. They married and will live happily ever after... Reality has a nasty way of crashing in on your dreams, especially when your husband wears the uniform of the United States Air Force. When Heather married Rick, she had no idea how much the uniform, and the commitment, would permeate every aspect of her life. The more years they put behind them, the more responsibility gets heaped on them in Rick's ambition to reach the top of the heap. Friends, family, separations, and surprises await. Sacrifice, service, heartache, loneliness, strength, and tears. This is the cost of entry into the unique band of individuals known as Military Spouses. Not everyone is up to the task. Can their marriage survive the strain, or will it shatter? Join Heather and Rick in this second installment of the trilogy as they continue the journey together. Meet more interesting characters from the unique, and often overwhelming, perspective of a Military Spouse.
