Lexus – The challenge to create the finest automobile Sep 11 2021 In a bold bid to enter the prestigious luxury car market, Toyota launched its Lexus marque in 1989 with the LS400. Impeccable attention to detail, advanced engineering, sourcing of first quality materials from around the world and meticulous build quality ensured that cars wearing the Lexus badge could compete directly with the established products of Mercedes-Benz, BMW and Jaguar. Motoring journalists around the world were quick to confirm the inherent quality of the Lexus, allowing the new marque to become established amazingly quickly and to make serious inroads into the sales

territories of other prestige brands. This book covers the complete year-by-year development of the Lexus line, including the equivalent models in Japan. Written by an acknowledged Toyota expert with the full co-operation of the company and its many subsidiaries worldwide, this is the definitive history of the marque.

African Business Jul 30 2020

Mass Affluence Aug 11 2021 This is the first book to explain how the fundamentals of marketing strategy must change in response to this broad-based increase in wealth The authors specifically addresses how to fine tune a mass marketing approach that captures the value created from greater consumer affluence. After years of expensive and largely ineffective attempts at one-to-one marketing and other complex varieties of microsegmentation, the business environment is ripe for a switch back to the relative simplicity of a mass marketing mindset Flouts conventional wisdom: the authors in-depth research uncovered that today's moneyed masses are completely different than the mass market of decades past in terms of how much they have to spend and what they are

willing to spend it on. Reveals the mass marketing strategies a range of companies have already successfully used to hit pay dirt with products ranging from oral care to laundry detergent to exotic automobiles.

[Reliable Used Luxury Cars Under \\$10,000](#) Jun 08 2021 Buy a world-class luxury car for under \$10,000. For about five thousand dollars, you can drive a top-of-the-line flagship luxury car that is classier, faster, and more comfortable than most brand new cars. The only downside may be that your friends think you have too much money to spend, because no one will be able to guess you only paid five thousand for a car that cost seventy thousand new Don't settle. Used luxury cars aren't scary, if you know which ones to buy and which ones to avoid, and how to choose them, buy them, and maintain them. The only thing better than cruising around in the comfort of a seventy thousand dollar car is knowing that you paid under ten thousand dollars for it. This book is an in-depth guide to: Why used luxury cars are underpriced ("the Uncle Howard effect") Why you shouldn't buy a used luxury car from the corner car lot Why you shouldn't spank yourself for wanting a luxury car Which used luxury cars are the best deals and which ones you must avoid just as assiduously as you'd avoid making eye contact with a clown What years, configurations, and options to choose on each car What specific pitfalls to avoid with each recommended car How to get parts and labor for a reasonable price, without compromising your sexual morals How to love life because you're driving an amazing luxury car and you paid only \$5,000 for it Doris bought her first used luxury car when she was still in high school, and has been obsessing over buying and selling used luxury cars since then. She loves cars, she loves bargains, and she loves helping people save money on car ownership. This book combines all three of her interests.
